> **Background.** *This Agreement serves solely as a reliable basis for a successful partnership in canoe polo. It sets out what the Company provides, how the Athlete can purchase the boat, and how the Athlete supports the Connect Kayaks brand in return.*

01 COMPANY SERVICES (SCOPE OF THE PARTNERSHIP)

1.1 **Equipment and joint projects.** Connect Kayaks supports the Athlete with equipment and joint projects. Depending on need, this includes products such as boats, paddles, spray decks or other items from the Connect Kayaks range.

1.2 **Boat on loan.** The Company provides the Athlete with a canoe polo boat on loan for a period of one (1) year, starting on the day the boat is handed over (the “Loan Year”).

1.3 **Repairs and service.** Repairs or other services relating to bumpers / buoyancy or material damage are part of this Agreement and are covered by the Company.

02 BOAT PURCHASE AND OPTIONS AFTER THE LOAN YEAR

50%
ATHLETE PRICE

The deal in one sentence

Connect Kayaks provides the Athlete with a canoe polo boat for one year. At the end of that year the Athlete may buy the boat for 50% of the original price shown on the invoice. Payment is due after one year, and Connect Kayaks will contact the Athlete when the time comes.

2.1 **Options.** At the end of the Loan Year, the Athlete has the following options:

(a) **Purchase:** the Athlete may purchase the boat for 50% of the original price (the "Athlete Price"); or

(b) **Exchange:** the current boat is returned and the Athlete receives a new boat for another year.

2.2 **Athlete Price.** The Company sends the Athlete an invoice for the boat. The exact amount payable by the Athlete equals 50% of the original price stated on that invoice.

2.3 **Payment due after one year.** The Athlete Price becomes due one (1) year after the boat has been handed over, i.e. at the end of the Loan Year. It is paid to Connect Kayaks using the payment details stated on the invoice.

2.4 **Reminder by the Company.** The Company will contact the Athlete in good time when the payment falls due, to confirm the Athlete's choice under Section 2.1 and to arrange the payment.

2.5 **Ownership.** The boat remains the property of the Company until the Athlete Price has been paid in full. Upon payment, the boat becomes the Athlete's full property.

2.6 **Special arrangements.** Individual, athlete-specific special arrangements (e.g. a complete, free transfer of the boat) remain unaffected by this standard rule and may be agreed separately.

03 ATHLETE COMMITMENTS (CONSIDERATION)

In return for the support, the Athlete commits to the following:

3.1 **Representation.** The Athlete becomes part of the Connect Kayaks social media and website presence.

3.2 **Media material.** Where possible, the Athlete regularly provides the Company with pictures and videos (e.g. from training or tournaments).

3.3 **Regular social media content.** The Athlete regularly shares paddling-related content featuring the boat, in particular Instagram stories and social media posts from tournaments.

3.4 **Social media tagging duty — @connectkayaks.** The Athlete further undertakes — where they maintain a social media presence (if available) — to tag / mention the Company's Instagram account @connectkayaks (https://www.instagram.com/connectkayaks) in paddling-related posts, reels, stories and videos (training, boat preparation, tournament previews and recaps, results / podiums). Minimum: @connectkayaks mention in the caption plus on-image tag on feed posts / reels, and @connectkayaks mention / sticker in relevant stories; equivalent tag on other platforms where supported. Hashtags alone do not replace the account tag. The Athlete follows @connectkayaks for the term and accepts reasonable collaborator tags where possible.

3.5 **Use of images and videos.** The Company may use pictures and videos showing the Athlete with the boat, whether provided by the Athlete or taken by or for the Company, free of charge for its website, social media channels and other marketing for Connect Kayaks.

3.6 **Positive promotion.** Positive promotion of the boat is part of this Agreement. The Athlete presents the boat and the Connect Kayaks brand in a positive light, both online and at the pitch, and shares any critical feedback directly with the Company.

3.7 **Test opportunities.** Where possible, the Athlete makes their equipment available for testing by potential interested persons, and lets interested paddlers try the boat at tournaments, in their club and at national team level. The Athlete refers interested persons to the Company.

04 TERM AND TERMINATION

This Agreement is based on mutual trust. It may be terminated by either side at any time and without stating reasons. In the event of termination, loaned items shall be returned within a reasonable period, unless the Athlete purchases the boat in accordance with Section 2.
